- 4.30 pm *ECR/student session*: **TBC (TBC)** “Title TBC”
- 5 pm Sundowner, nibbles and BBQ dinner

Saturday 21 January, 2023

A group is heading to beautiful Rottnest Island for the day, depending on numbers and weather, via a powerboat skippered by Prof. Mylne out of South of Perth Yacht Club (jetty 4) and/or by ferry from the city jetty. The trip will be at the expense of each participant (i.e. not included in conference registration). If you are interested in going, e-mail josh.mylne@curtin.edu.au and on Friday morning we will advise all delegates whether ferry bookings are needed. Regardless, we will all meet up on the island for lunch at the pub!

Anyone can book their own ferry to Rottnest Island. Ferries depart from Fremantle and Perth City via [Rottnest Express](http://www.rotnestexpress.com.au/deals) (Phone 1300 467 688, www.rotnestexpress.com.au/deals) or [SeaLink Rottnest Island](http://www.sealinkrotnest.com.au/specials) (Phone 1300 QUOKKA or +61 (0)8 9325 9352, www.sealinkrotnest.com.au/specials).
